**DISCHARGE OF REQUIREMENTS**

The local planning authority hereby approves the details specified and discharges the requirement(s) referred to in the schedule and description above.

**INFORMATIVE NOTES**

These are advice notes to the applicant and are not part of the planning conditions:

**1. Crime and Disorder Implications**

It is considered that the proposal does not raise any crime and disorder implications.

**2. Human Rights Implications**

This planning application has been considered in light of statute and case law and any interference with an individual's human rights is considered to be proportionate to the aims sought to be realised.

**3. Equality Act 2010**

Due regard has been taken of the South Downs National Park Authority's equality duty as contained within the Equality Act 2010.

4. Historic England should be informed of archaeological discoveries that may be, or have the potential to be, considered nationally significant. Provisions for this should be set out in each detailed WSI.
  
5. Public engagement details must be set out in the more detailed WSIs to be agreed with the archaeological curator of each local authority area. This should be aimed at delivering public benefits of the archaeological mitigation work for this project as early as possible in the delivery programme, with appropriate methods and educational opportunities targeted to each area and the finds within.
