Dear Sir/Madam,

**The Southampton to London Pipeline Project Development Consent Order 2020
Application to Surrey County Council to Discharge Requirement 9(1) (Surface and Foul
Water Drainage)**

Thank you for consulting Surrey County Council as the Lead Local Flood Authority on the above Discharge of Conditions Planning Application. We have reviewed the surface water drainage strategy for the proposed development and assessed it against the requirements of the NPPF, its accompanying PPG and the Non-Statutory Technical Standards for sustainable drainage systems.

The following documents submitted as part of the above application have been reviewed and should be referred to as part of any future submissions:

- Southampton to London Pipeline Project, Surface Water and Foul Water Drainage Plan, Revision No2.0 June 2021

Reference should be made to the following consultation responses issued to the Local Planning Authorities through which the pipe passes:

- Response to Runnymede Borough Council
LLFA-RU-21-0503 – RevA dated 24/06/2021
- Response to Surrey Heath Borough Council
LLFA-SU-21-0501 – RevA dated 23/06/2021
- Response to Spelthorne Borough Council
LLFA-SP-21-0512 – RevA dated 08/07/2021

We are content with the proposals in relation to surface water drainage.

If there are any further queries please contact the Flood Risk Asset, Planning, and Programming team via SUDS@surreycc.gov.uk. Please use our reference number in any future correspondence.

Yours faithfully

Amy Rodwell
